

STOP THAT CATARRH WITH VIN HEPATICA

Right at this time of year there is more danger from catarrh and colds than from any other trouble. You get out and get your feet wet, expose yourself to cold, and the first thing you know catarrh has set in, and, if not stopped, may lead to tuberculosis or something equally as bad.

Best for you to do now is to get a bottle of Vin Hepatica, the great Universal System Purifier and Tonic, and have it ready to take at the very beginning of even the slightest cold.

It acts at once on the mucous membrane, cleanses and tones up the vital organs of the body, enables them to perform their natural functions of throwing off disease.

Come in and get a bottle, on our recommendation. We back it with our reputation.

Jo Anderson,
this city.

—(Adv.)

CONTRAST DRAWN AT BAR OF COURT

Pretty Girl Wins Mercy and
Leniency—Negroes Feel
Stern Hand of Law.

Her face was golden with tan, her lips red with health and her petite figure was gracefully curved. These, however, were only secondary to the expression in her eyes, which displayed a latent terror and a present appeal, with, much, her name was Marie Bailey and she sat with downcast head in the witness chair before Judge McReynolds, charged with the serious offense of larceny. She was just a young girl standing on a very threshold of youth and promising womanhood, but she had taken her first false step early in life. She pleaded guilty and said she was sorry and would begin life anew and join her soldier husband in North Carolina.

Was that appeal made to the judge answered by him? It was, and just as kindly and compassionately as it could have been. "Young lady," said the judge, "I am sorry for you—so sorry that I am going to turn you loose and allow you to start life anew.

"You are pretty and young and have every promise of a happy life. It is true that I understand that the advantages that go to make up the life of a good, sweet girl have not been offered you, and while you have done wrong, you have done nothing for which you cannot make reparation. I want you to leave this courtroom and promise me you will be the good girl that I know you can be.

"Don't take anything else, and lead a good, clean life and all the world's happiness and pleasure that come to people who live that way will surely come to you.

"If at any time in your life I can be of any assistance to you or yours do not hesitate to call on me. Good-by, and join your husband when he sends for you."

His From Missouri.

The next case called before Judge McReynolds was Nathan Jordan and Henry Adams, charged with stealing a grip. They tried to tell the judge they didn't do it, but Judge McReynolds has to be shown; telling don't go with him. Just as kindly as he had talked to the little girl who stood before him a few minutes before, so just as sternly and exacting did he talk to the negroes charged with larceny.

"I am satisfied that you are both guilty," said Judge McReynolds, "and I am going to sentence you both to eleven months and twenty-nine days in the Hamilton county workhouse."

The judge knew those men had no business picking up that grip and he unhesitatingly told them so and in such strong but just language that they will remember it during their long term of confinement.

The grip was stolen by the negroes at the Terminal station and, it was claimed, contained about \$25 worth of wearing apparel. The negroes told the judge right out in court that they did not steal the lady's grip, and the judge told the negroes right back in the same court that he knew they did and they knew when they stole it that it wasn't theirs and they had no business with it. The next grip Nathan and Henry said they will run from. The case was tried before Judge McReynolds and not by a jury.

MANY ENLIST AS SHIP YARD VOLUNTEERS

Special Room at Courthouse
Fitted Up for Enrolling Men.
Additional Names Filed.

Enlistments as members of the United States shipyard volunteers of the public service reserve have become so numerous that it was necessary Wednesday for Supt. Abel to ask that a room in the courthouse be given over to this special work. He will appoint a committee to take charge of the applications for the remainder of this week, after which time the list will be closed. Up until noon Wednesday it was reported that approximately one hundred men, anywhere between the ages of 18 and 62 had made application in this city alone. Mr. Abel, who is chairman of the council of national defense for this county, says that he hopes to have 500 volunteers from Chattanooga.

In the call issued by the government it is stated skilled workmen to build merchant ships with which to overcome the submarine menace are wanted. There is no age limit in the call. However, it is stated that such men as are subject to be drafted at once are not wanted.

Mrs. Ida Longley, secretary of the county superintendent of schools, has been in charge of the applications.

The names of those enrolled up to noon Wednesday are as follows:

Austin Wells, Rossville, Ga.
Lester T. Patton, 2310 East Twelfth street.
Harry Guill, 429 Cherry street.
Samuel J. Lee, 260 1/2 Whiteside street.
L. S. Vaughn, Windell, Tenn.
James F. Matthews, Windell, Tenn.
G. C. Jones, Birchwood, Tenn.
Charles James, 409 State street.
Andrew Anderson Morgan, 405 State street, Rossville, Ga.
B. W. Walker, 705 Broad street.
Wm. Franklin McWhorter, 245 Oak street.
Archibald McDonald, 1507 East Fourth.

IS IT EXPOSURE OR GERMS?

What Do You Think Is the
Cause of a Cold?

There are two theories concerning the cause of a cold. One is that you catch it when you are exposed to cold or drafts, and the other is that the cold is caused by a germ that attacks us when our vitality is lowered for any cause.

While there is a difference of opinion concerning the cause, every one agrees that a cold is dangerous and should be broken. And to do this you will get nothing better than Lung-Vita. The first dose or two of this harmless medicine scatters the congestion and cuts loose the phlegm. Its healing oils soothe the irritation that has been caused.

Keep a bottle of Lung-Vita on hand and at the first sign of a cough or cold, take a dose or two. It will prevent the cold from coming on. All druggists and dealers have

Walter Ellison, 1112 East End avenue.
Charles Surgeon Osment, Cleveland, street.

TWO NEW MANUFACTORIES APPLY TODAY FOR CHARTERS

Two applications for charters were filed in the office of county clerk Wednesday morning. The first charter asked for was the Chattanooga Paint company, a concern organized for the purpose of carrying on a retail and wholesale paint business. The capital stock is placed at \$10,000 and the incorporators are John R. Marshall, Lena Marshall, Julius Marshall, Mary A. Marshall and J. Read Voigt. The other charter applied for was the Davis Hosiery Manufacturing company, which is capitalized at \$25,000. The stockholders are J. C. Davis, L. C. Davis, O. M. Davis, H. L. Davis and R. C. Davis. The company is organized for the purpose of carrying on of a general hosiery business.

SUIT IN CHANCERY OVER OVERFLOW FROM SPRING

The case of Mauri Jones against Marion C. Timmons was heard by Chancellor W. B. Garrison Wednesday morning. After the hearing the chancellor took the case under advisement. The case is a mandatory injunction seeking to compel a removal of an obstruction which causes the overflow of complainant's spring. The bill charges that the defendant built a dam across his stream, which broke under a heavy rain and caused the water to back up over complainant's spring.

INSURANCE MEN SELL \$1,200 WORTH OF THRIFT STAMPS

The insurance men indulged in an "insuranceless day" Tuesday and devoted their time to the selling of thrift and war savings stamps. The result was a great success, as \$1,200 worth of stamps were sold during the day, mostly in small amounts. The committeemen went out in twos and canvassed the city, reporting back at headquarters. The novelty of this campaign struck many as an unusual instance, possibly having no parallel.

COLORED METHODISTS TO OBSERVE ALLEN DAY

Allen day, or, in other words, the one hundred and fifty-eighth anniversary of the birth of Richard Allen, the first bishop of the A. M. E. church, will be observed at Warren chapel A. M. E. church, Sixth and Chestnut streets, Sunday. A special sermon at 11 a.m. in accord with the occasion will be preached. Splendid programs have been arranged by the Sunday school and Allen league at 7:30.

Richard Allen was the founder and organizer of the A. M. E. church, in 1787, and it has grown to be the strongest negro organization in the world, controlling over \$11,000,000 worth of property.

PARENT-TEACHERS START CHILD WELFARE CAMPAIGN

An enthusiastic meeting of the parent-teachers' association of the Junior High school was held Tuesday afternoon at the school. Mrs. J. C. Knoedler, president, presided.

Mrs. J. O. Devlin, president of the Chattanooga Federation of Schools, spoke on "School Activities." Later a "child welfare" campaign was launched. The purpose of the campaign is to help the older boys and girls in school to fit themselves for making a better livelihood. It is hoped to decrease the large number of students, who on the very eve of graduating are forced to accept a position in downtown stores or mills at small pay, thus forfeiting their certificates.

Mrs. C. O. Whitman was elected garden mother. A number of new members were enrolled.

When You Have a Cold.

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Pana, Ill., writes: "Our five-year-old son, Paul, caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke to me highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."—(Adv.)
